## Eastern Shore Community Services Board

The ESCSB provides comprehensive behavioral healthcare services for the Eastern Shore of Virginia's many diverse communities.

The Eastern Shore Community Services Board (ESCSB) is an organization whose mission is to serve the Eastern Shore's two counties in providing community based mental health, developmental disability services, and substance abuse services as outlined in Chapter 5, Title 37.2-500 of the code of Virginia.

The Eastern Shore Community Services Board currently operates or contracts for a wide variety of services.

### **Mental Health Services:**

- Psychiatric evaluation
- Disability determination
- Forensic evaluations
- Individual, family, marital, and group counseling
- Treatment for children and adolescents
- Psychosocial day activity program
- Housing and community placement assistance
- Community services referrals
- 24 hour emergency services, crisis stabilization, and emergency hospitalization
- Stress management services
- Community support services
- Therapeutic residential services

### **Substance Abuse Services:**

- Individual, family, group, and child/adolescent counseling
- Drug education program
- Assessment and service referrals
- Detoxification and inpatient referrals
- Aftercare program
- Prevention/early intervention services
- Substance abuse prevention youth and family programs
- Community consultation services

### **Developmental Disability Services:**

#### **Case Management**

- Day support and housing referral
- Support services
- Transportation assistance

#### **Day Support Services**

- Day health and rehabilitation

#### **Residential Services**

- Group homes
- Supervised apartments

#### **Infant Intervention Services**

- Evaluation/assessment
- Physical, speech, and occupational therapy services
- Home-based instruction
